Arizona Complete Health-Complete Care Plan

To be eligible for the gift, you must complete the following activities:

1. Go to a prenatal doctor visit in your first trimester
(the first 3 months of pregnancy),

And

2. Notify Arizona Complete Health-Complete Care Plan of your pregnancy in your first trimester. You can notify Arizona Complete Health-Complete Care plan by visiting the Arizona Complete Health-Complete Care Plan website to submit your notification through the member portal.

Once you have completed the above prenatal activities after your second trimester you can request your gift at no cost by visiting:
