

## Pima & Yuma County Crisis Medication List

The Arizona Complete Health-Complete Care Plan Crisis Medication list includes medications that offer clinical safety and efficacy in a behavioral health crisis. This list of medications is for use in adults or children that are Non-title XIX/XXI and Non-SMI who present in crisis at the CRC Level 1 Subacute Behavioral Health Facility in PIMA County OR HHW Community Observation Unit in YUMA County.

The medications listed will help stabilize an individual in crisis and bridge them to a follow-up outpatient appointment. Medication quantity limits are noted. One additional 7 day supply of prescribed medication will be allowed.
