

Notification of Pregnancy Requirements

Early access to prenatal care is linked to healthy pregnancies which result in positive birth outcomes. Arizona Complete Health-Complete Care Plan (AzCH-Complete Care Plan) would like to remind providers that care management activity begins with prompt identification of all pregnant members.

Identification occurs through one of the following:

- Receipt of a Notification of Pregnancy (NOP) form from the OB provider or health home
- Receipt of demographic or claims information indicating pregnancy
- Member self-referral.

NOP FORM LOCATION

The Notification of Pregnancy Form (NOP) is located on our websites:
